Wise Community Testimony by Jusu Koroma

I am one of the TE's staff members and my family is blessed with the weekly character words we study and teach in the WISE Community to advance the kingdom of God. My son who recently moved here joined the weekly Saturday Wisdom Club for Kids, but he could not speak or read English.

He joined Transformation Education's 2022 August Holiday School Classes and he was given phonics reading material to practice at home. I have been helping him and other children in the neighborhood read those materials, and others which I borrowed from TE.

My work with TE's Wise Community team has given me courage to understand and implement what I have learned at earlier trainings.

Goals include:

- a. Leadership Trainings
- b. Vacation Bible School for the children
- c. Mission Trip (in country) with the adults
- d. Wisdom Club Scholarship and School Supply Rewards

Report from Brother Abraham Turay, Kambia

I met a young man named Mr. Kargbo walking to his village. I introduced myself and I asked him if I could talk to him about Jesus Christ. He said he was following the religion of his forefathers. I introduced Jesus Christ to him and he invited me to his village.

With regret he said he was tired of leading a secret society, planning evil activities that include children. He was afraid for his life if he left. I told him to trust Jesus.

He accepted Jesus and now we are holding meetings in his village and souls are being added to the Kingdom. He and his family are now baptized.

Please pray for these new and additional Christians
Shalom, Brother Abraham Turay

- * Christian Motorcycle Association (CMA) just partnered with TE to provide a useful motorcycle to Abraham's ministry.
- * Goals Abraham's ministry team have include:
 - α. PA system for revivals (\$150)
 - β. chapels for the village that are new to Christianity (approx. \$3,000).

Most of Abraham's Bible village Study photos are dark since they have no electricity and the meetings are after the day of farming.

Gwen and Melanie Update

Happy Time Preschool has been great for Melanie. The 15th of May is her last day and I look forward to spending more time with her! I was told adoption would change my life. It has and I continue to be grateful. My ministry priorities are shifting towards parenting for this formidable season of her life.

My cancer treatment plan includes about 2 years more of monthly medical appointments so we are making the most of ministering in and from USA. We are grateful for the technology options we are learning about that are helping us advance with ministry goals.

We are grateful for the opportunity to continue serving Christ's Kingdom with Christ's church. Thank you!

Grateful

How would you feel if the people you work with said, "Thank you for the correction.?"

Wow, what humility! Abraham Bangura said that when he first started working with Transformation Education and he still says it today! Abraham is one of the most humble people that I know which makes him so easy and such a joy to work with! It is a blessing to all of us that he is competent to be TE's Sierra Leone director in my absence.

In whatever you do, don't let selfishness or pride be your guide.
Be humble, and honor others more than yourselves.

(Philippians 2:3)
