"Thanks to the management of Transformation Education for being there for me throughout the past academic year and I am happy to see you around us again in this academic year."

"I am overwhelmed and moved by the great work of Transformation Education in Sierra Leone. Bravo to the Management for granting scholarship of which I am fortunate to be part of.
I am forever grateful and I will do my very best to spread Phonics nationwide and more. Once again thank you, thank you, God bless."

"Thank you facilitators for helping us to know more about the Word of God and trust me we really love the class because of the strategies you are using to teach us hmmm very interesting" - Isatu

"I wonder how I would be without your sponsorship. I come from a remote area and a lot of children in the community do not attend school. I am a volunteer teacher. I live by farming at a subsistence level. I need this scholarship to improve myself in teaching the children who need my service." - Henry

"That Your ways may be known on earth, your salvation among all nations" (Psalm 67:2)

Please pray these scriptures for us. (Colossians 1:9-14)

1. Please pray for our college students wholistic well being.
2. Pray for our 18 new students. Fifteen have a full scholarship for three years. The other three had their tuition paid. Six were baptized. They have weekly Discipleship Group with their TE mentor.
3. Pray for our 21 second year students. Three had their tuition paid by TE otherwise they would have dropped out because they didn't have the \$100 for one year college tuition.
4. Pray that the six delegated to the Christian Camping training implement their new training.
5. Abraham B. and James T. were denied their USA visitors visa which is a common occurrence.
6. May God strengthen Abraham T.'s and Jusu as they lead others in disciple making, church planting, school sponsorships, and agriculture.
7. Gwen's Doctor reports no sign of cancer in my body. Melanie looks forward to half days at Happy Time Pre-school.
